

# Knowledge Development for Scaling Guided Pathways in Ohio

OACC SSLI Institute #5  
September 15, 2016

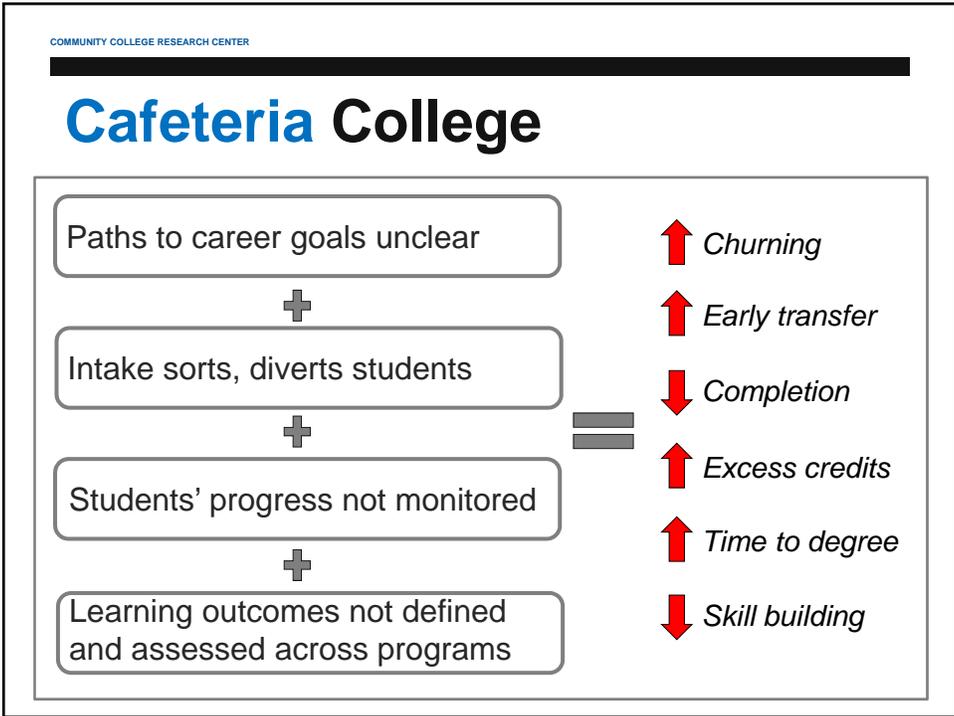

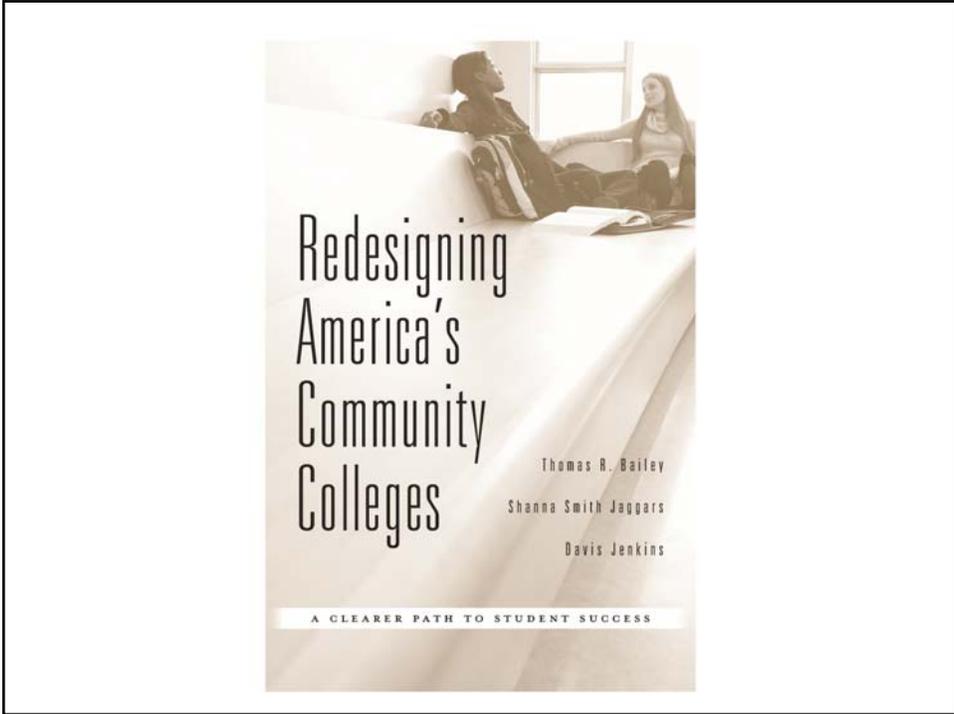

Hana Lahr  
Community College Research Center

@CommunityCCRC  
#RedesigningCCs

## Project Goal

*Support scale implementation of guided pathways practices by Ohio's 23 community and technical colleges in order to improve the rate and reduce the time and cost at which the more than 275,000 degree-seeking students served annually earn postsecondary credentials that enable them the advance in the labor market and pursue further education.*

## Guided Pathways College

Clear roadmaps to career goals

+

Intake redesigned as an on-ramp

+

Students' progress closely tracked

+

Learning outcomes/assessments aligned across programs

=

↓ Churning

↓ Early transfer

↑ Completion

↓ Excess credits

↓ Time to degree

↑ Skill building

## CCRC's Role in Ohio SSLI

- 1) Conduct qualitative research to:
  - Document progress on guided pathways implementation, identify opportunities for improvement
  - Identify effective change management strategies
- 2) Help conduct supporting quantitative analyses
- 3) Assist with SSLI technical assistance activities
- 4) Advise on state policy
- 5) Produce and disseminate practitioner guidance and tools

## Guiding Questions

- Adoption
  - To what extent and at what scale are OH colleges implementing model guided pathways practices?
- Implementation
  - How are colleges managing transformative change and what practices are effective?
- Impact
  - How are changes in college practice affecting student outcomes?

## Focus Issues

- Program mapping and embedded credentials
- Strategies for career/academic exploration
- Math pathways
- Accelerated dev ed
- Advising redesign
- Transfer pathways
- Serving adult learners
- HS dual enrollment

## Quantitative Work

Analysis Type	Roles
KPIs	<ul style="list-style-type: none"> <li>• ODHE computes for each college using HEI</li> <li>• CCRC advises</li> </ul>
College-level pathway analyses	<ul style="list-style-type: none"> <li>• Colleges and data coaches conduct analyses</li> <li>• CCRC advises</li> </ul>
System-wide pathway analyses	<ul style="list-style-type: none"> <li>• CCRC conducts using HEI</li> <li>• ODHE, OACC, data coaches advise</li> </ul>

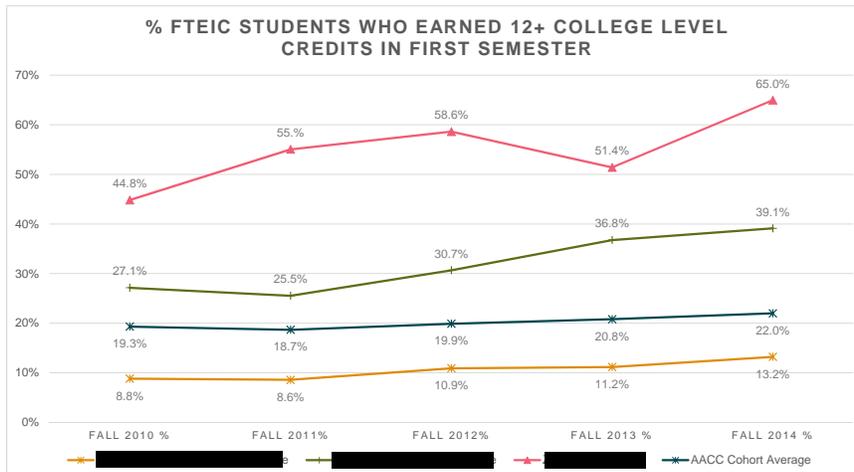

## KPIs

- FTEIC students cohort (“first-time ever in college”)
- Include all students enrolled in at least 1 course
- Exclude dual enrollment students
- Measured over 1 year

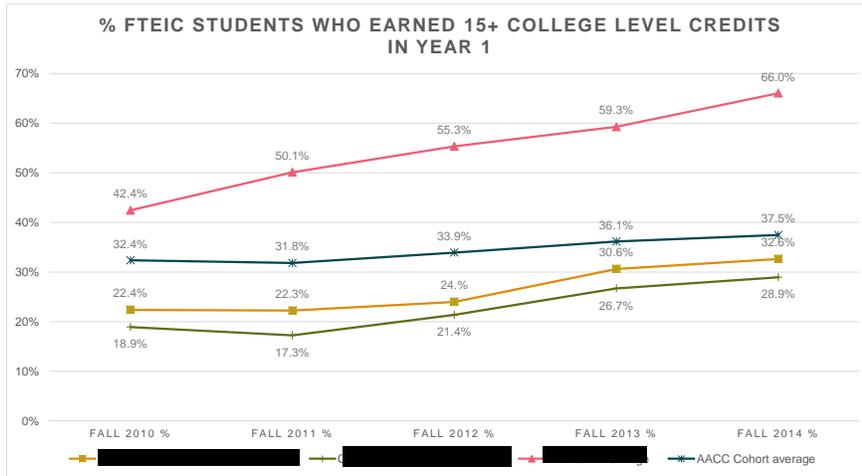

# KPIs

- **Early Momentum – College credits accumulated**
  - 6+ college credits in 1st term
  - 12+ college credits in 1st term
  - 15+ college credits in 1st year
  - 24+ college credits in 1st year
  - 30+ college credits in 1st year
- **Gateway math and English completion**
  - Completed college math in year 1
  - Completed college English in year 1
  - Completed both college English & college math in Year 1
- **Persistence**
  - Term 1 to Term 2
- **College course completion rate**
  - College credits earned vs. attempted in first year

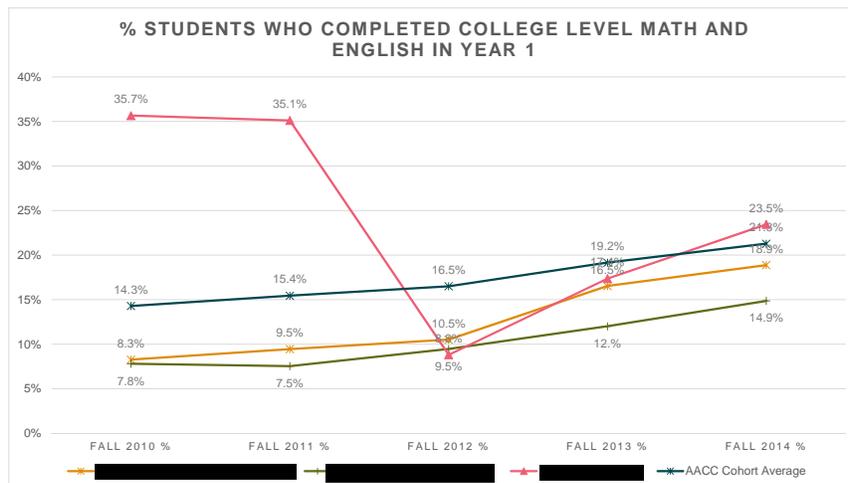

# KPIs

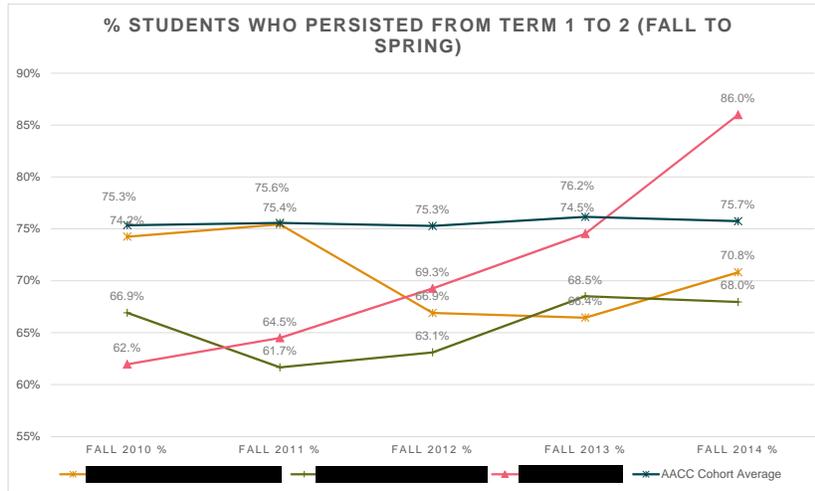

# KPIs

# KPIs

# KPIs

# Program Enrollment/Outcome Report

- Due to OACC prior to Oct 27 pre-institute

Include all certificate and degree programs, including students who are "undeclared" or in exploratory majors

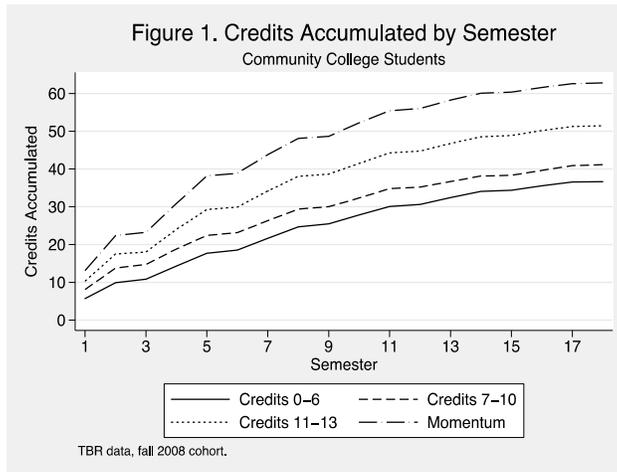

CIP Code	Program Name	New Students	Returning Students	All Students	% of Total
4 5042000	Non Degree	652	20	672	24.8%

# Momentum Benefits: CC Students

Source: Belfield, Jenkins & Lahr, 2016.

## Momentum Benefits: CC Students

	1 <sup>st</sup> semester momentum	1 <sup>st</sup> year momentum
Additional credits earned	8	22
Probability of degree attainment	7pp (.27/.34)	18pp (.25/.43)
Tuition and fees	+\$650	+\$1,740
Lower cost per degree	-9%	-20%
Price per credit	-4%	-5%

Source: Belfield, Jenkins, Lahr, 2016.

\*Adjusted results, controlling for student characteristics

\*After 6 years, or 18 semesters

## Qualitative Work

- 1) Scale of adoption assessment (fall 2016 and 2017)
- 2) Site visits to sample of 6 colleges (in spring 2017 and 2018). Interviews and focus groups with senior leadership, deans, advisors, faculty, IT, IR.

## Guided Pathways **Essential Practices**

- 1) Mapping pathways to student end goals
- 2) Helping students choose and enter a path
- 3) Keeping students on a path
- 4) Ensuring that students are learning

## Scale of Adoption **Self-Assessment**

	Guided Pathways Essential Practices	Scale of Adoption at Our College	Steps Needed to Implement Practice at Scale
<b>MAPPING PATHWAYS TO STUDENT END GOALS</b>	a. Every program is well designed to guide and prepare students to enter employment and further education in fields of importance to the college's service area.	<input type="checkbox"/> Not following <input type="checkbox"/> Not systematic <input type="checkbox"/> Planning to scale <input type="checkbox"/> Scaling in progress <input type="checkbox"/> At scale	•
	b. Detailed information is provided on the college's website on the employment and further education opportunities targeted by each program.	<input type="checkbox"/> Not following <input type="checkbox"/> Not systematic <input type="checkbox"/> Planning to scale <input type="checkbox"/> Scaling in progress <input type="checkbox"/> At scale	•
	c. Programs are clearly mapped out for students. Students know which courses they should take and in what sequence. Courses critical for success in each program and other key progress milestones are clearly identified. All this information is easily accessible on the college's website.	<input type="checkbox"/> Not following <input type="checkbox"/> Not systematic <input type="checkbox"/> Planning to scale <input type="checkbox"/> Scaling in progress <input type="checkbox"/> At scale	•

## Scale of Adoption **Self-Assessment**

- Colleges will be asked to turn in draft self-assessment following the September 15-16 OACC SSLI meeting
- CCRC will follow-up with calls to all colleges following the September meeting
- Report and summary of responses will be sent to all colleges prior to the October 27 OACC Pre-meeting
